Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With so many different denominations, movements, and religious organizations teaching so many different scriptural interpretations, it's time for an honest biblical analysis of some of the misunderstood doctrines prevalent today. The Truth of the Matter provides just that. A dedicated servant of Christian ministry for more than fifty years, author William L. Laughlin examines some of the more prominent of these doctrines in the light of Scripture. Rather than trying to justify man's opinions through the use of hyperbole and today's liberal agenda, Laughlin turns to God's word alone to set the record straight. Laughlin tackles hot button issues currently at the center of today's culture wars, including homosexuality, promiscuity, and the Antichrist, as well as other tenets of the faith mired in controversy. In addition, he offers thoughtful discussion on how and why these particular doctrines have been altered to fit today's world. Thoroughly couched in Scripture, The Truth of the Matter offers a beacon of light for those who wish to return to God's standards as set forth in the Bible.
