THE GOVERNESS

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 530 pages. Dimensions: 9.0in. x 6.0in. x 1.3in. At thirty-four, John Lockwood was the best landlord in Berkshire - for despite his absences, his tenants remained happy; he was the richest - the crops and investments both yielded annual benefits; he was the sole heir to his aunt, Lady Cavendish's estate; his advice was sought by peers and friends, and political entrants; he was at the prime of his life, a robust man, with few creases in the face, and he had children to carry his name forward. Still, he wanted to burn everything down. He wanted none of it. It repulsed him. . . . the abundance of it all. . . . the gratitude of tenants, the praise of gentry, the wealth he could not shake off no matter how many creditors he juggled. He hated it all. His good fortune gave him a headache. His children gave him no joy and he hated himself for it. He felt like a disease. He didn't wish to be anywhere for more than a few seconds. He wanted an escape. All. The. Time. Jane was the perfect wife and daughter till a single act of selfishness took it all away from her: I cannot imagine a sentence more severe than a person limited not by his or her own abilities but by the opinions and expectations of others. And having been made to organize in such a way, comes the remuneration, but no penance or escape. And when their paths cross, the fiery odd relationship guides each towards their inner truths: You make it seem like the cross was yours to bear, alone, do you really think you are brave Let me tell you, who...
