

## Why Are Police Shooting Down Black Men?: Where Do America Go from Here? (Paperback)

By Tom Brokaw

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The riots in America has spoken, rise with liberty, or burn with fire. One audience is speaking with one united voice, Black Lives Matter! The police brutality against black men must end, and a comprehensive peace conversation must be planned. There are far too many black men beaten and killed by sworn officers of the law who are supposed to protect and serve communities. I submit that there are more good cops than bad, however, one beaten and one death is a tragic event for any black mother or father to endure. America must help white and black people understand, that united in love and peaceful understanding is the strength of our nation and road to a harmonious future of brotherhood. The epidemic continues. A white police officer shoots an unarmed black male, and gets away with murder. It appears that this is the season for killing black people, and repeatedly, black parents cry and white police lie to cover their shootings.
