The Maritime Medical News, Vol. 13 (Classic Reprint) (Paperback)

By Unknown Author

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Maritime Medical News, Vol. 13 During the last ten years the means we have at our disposal for the treatment of simple fractures have not materially changed, unless we except skiagraphy, the introduction of which has been so valuable in aiding the diagnosis of doubtful cases and clearing up any uncertainty as to the position occupied by the broken fragments in complex injuries. The methods of application of these means, how ever, has undergone some change during the last five years, and the progress has tended to rational methods which I think contrast favorably with the hard and fast prolonged splinting of former-days. In my student days at St. George s Hospital, I remember that a fracture was set and put up in splints to remain for a stereotyped time, varying from about three to six weeks, according to the bone or bones affected, the limb not being touched, except perhaps to adjust or re-apply a loosened or too tight bandage or change a pad. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find...

Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.

-- **Dr. Reta Murphy**

It becomes an amazing pdf which i actually have at any time read through. This can be for all those who statte there had not been a worthy of reading through. You wont sense monotony at anytime of your own time (that's what catalogues are for relating to should you check with me).

-- **Claud Kris**
