Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How to set up, create and start your own bookkeeping business from scratch. And be successful. This book is written by UK author Lisa Newton who started her own bookkeeping business for 150 in 2004. She used 100 from her overdraft and got 50 investment from her mum. And she made it work. It is an action-packed, tip-filled, no-nonsense approach to how to start, what to do, things to look out for, pitfalls to avoid and its guidance will help you to avoid the expensive, painful time-consuming mistakes which most freelance independent bookkeepers make. There are plenty of horror stories to keep you on your toes and plenty of useful content to help you to make that transition from full time employee to full time business owner. Amongst other things this book covers: - getting started - products, price, place, promotion - dealing with clients, suppliers, subcontractors - practical exercises for you to try - key templates to help you get started - and a whole lot more. This isn't theoretical or written by some lecturer. This is written by someone who has been there, done it and franchised the bookkeeping business. And won the Bookkeeping Franchisor of the Year (BKN award) in 2012 AND 2013. What you'll soon realise (for those of you thinking of starting this kind of business), is that there are a lot of HATERS out there. and the minute you start to become successful - they'll want to find a way to tear you down. This is because their own businesses are failing, and instead of working on themselves they feel threatened and prefer to either try and either steal from you...
