Reviews

The publication is fantastic and great. It can be rally exciting throug reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.
(Prof. Alvis Wuckert)

A PROBLEM FOR FREE WILL

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.To have freedom of will is to say, I could have chosen to do otherwise. But how can we make such a claim in a world of causes and effects? In a world where everything that happens is part of a great causal chain? Where every event, including every human decision and action, was determined at the creation of the universe? In this book I look at a particular problem faced by those who argue we have free will - the problems of Anomalous Monism.
