## Missed Information: Better Information for Building a Wealthier, More Sustainable Future (Hardback)

By David Sarokin, Jay Schulkin

MIT Press Ltd, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. How better information and better access to it improves the quality of our decisions and makes for a more vibrant participatory society. Information is power. It drives commerce, protects nations, and forms the backbone of systems that range from health care to high finance. Yet despite the avalanche of data available in today's information age, neither institutions nor individuals get the information they truly need to make well-informed decisions. Faulty information and sub-optimal decision-making create an imbalance of power that is exaggerated as governments and corporations amass enormous databases on each of us. Who has more power: the government, in possession of uncounted terabytes of data (some of it obtained by cybersnooping), or the ordinary citizen, trying to get in touch with a government agency? In *Missed Information*, David Sarokin and Jay Schulkin explore information -- not information technology, but information itself -- as a central part of our lives and institutions. They show that providing better information and better access to it improves the quality of our decisions and makes for a more vibrant participatory society. Sarokin and Schulkin argue that freely flowing...
