

Young Bilingual Learners at Home and School: Researching Multilingual Voices (Paperback)

By Rose Drury

Institute of Education Press, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. Official documents on early education tend to gloss over the experience of children who are learning English as an additional language in generalized terms. Because their learning situation is not well understood, bilingual children may be given few opportunities to display their abilities at school. Based on the author's ethnographic study, this book examines the experiences of three four-year-old bilingual children as they begin school in three English nursery classes. It thus provides insights into young children's use of first languages as well as English and consequently provides a fuller and richer picture of bilingual children's learning. The book reveals some of the ways in which young bilingual children experience preschool as they begin to learn the language required for formal schooling. It demonstrates how they take control of their own learning at home. And it asks questions: How do Samia, Maria, and Nazma find their own way through preschool? What are their individual strategies for getting by and, beyond that, for learning during their first year of formal schooling? How do they syncretize home and school learning? The detailed picture...
