

The Book of Abu Nuwas

Filesize: 7.31 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

THE BOOK OF ABU NUWAS

On Demand Publishing, LLC-Create Space, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.THE BOOK OF ABU NUWAS Translation Introduction Paul Smith Abu Nuwas (757-814) was the most famous and infamous poet who composed in Arabic of the Abbasid era. His style was extravagant and his compositions reflected the licentious manners of the upper classes of his day. His father was Arab and his mother was Persian. As a youth he was sold into slavery; a wealthy benefactor later set him free. By the time he reached manhood he had settled in Baghdad and was composing poetry. It was at this time, because of his long hair, he acquired the name Abu Nuwas (Father of Ringlets). Gradually he attracted the attention of Harun al-Rashid and was given quarters at court. His ability as a poet no doubt was one reason for Abu Nuwas success with the caliph, but after a while he became known as a reprobate and participated in less reputable pastimes with the ruler. He spent time in Egypt but soon returned to Baghdad to live out his remaining years. It is said he lived the last part of his life as a Sufi and some of his poems reflect this. He is popular today, perhaps more so than he ever was, as a kind of comic anti-hero in many Muslim countries. His poems consist of qit as (of which he was the first master) ghazals and qasidas. His poems could be classified into: praises (of nobles and caliphs famous people), mockeries, jokes, complaints, love of men and women, wine, hunting, laments, asceticism. All forms are here in the true meaning rhyme structure. Introduction on his Life, Times Poetry and forms he composed in and two appendixes...
