Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Brand New Book ***** Print on Demand *****.The Lion Security series fires off with Obsidian Liquor, where no one escapes the Russian mafia's burning flame. While a brutal competition of America's heroes is held in the United States, Elizabeth Forter is on a personal mission to destroy the Mayor of New York City. But when she's caught red-handed by a man who kills for a living, her enmity rapidly turns to fear. Daniil Kozar isn't a man to trifle with, and Elizabeth is forced to strike a deal with the mafia king. Her every action is watched, and she needs to decide how to handle the gun-toting criminal--and his seductive charm. Daniil may be the devil her father warned about. Or he may be the sensual awakening Elizabeth never knew she needed. Somewhere, Elizabeth's dad is screaming a prayer. *Originally published in The Obsidian Collection* *This work contains sexual material intended for readers 18+*.
